Maps, map references (easting & northings), legal descriptions and existing consent information can be found using Councils online map portal at <https://hbmaps.hbrc.govt.nz/mapviewer/?map=85fa8d692fb347599886829e50ece1e2>

Conditions

The Consent is granted subject to the following conditions and if the conditions are not met the Consent may be revoked.

- Erection of the stand shall not begin earlier than seven (7) days before the Whitebait season commences and the stand shall be removed not later than fourteen (14) days after the end of the season
- No damage shall be done to river protection works (eg cutting of willows), to any existing structures or river berm
- Any structure shall occupy an area of bed no greater than 10m² and be in a sound and safe condition, this is the responsibility of the consent holder within the meaning of the Occupiers Liability Act 1962
- Vehicle access to the river shall be at the councils discretion
- The consent holder will pay an annual fee set in accordance with the provisions of the Resource Management Act
- The Consent Holder is responsible for obtaining any approval that the Landowner of the site may require prior to construction.
