

Schedule 4 - Bunkering

S4.1 Bulk Oil Discharges

Bulk oil discharges are permitted at:

- (a) Higgins No 2 south berth.

S4.2 Fuel Oil Discharges

Fuel oil and diesel may be loaded via fixed pipeline at:

- (a) Geddis No 3 berth (East and West);
- (b) Higgins No 2 south berth.

Diesel oil may be transferred at all locations within Port of Napier Ltd and Napier Inner Harbour and other coastal locations providing that the operators adhere to their Site Marine Oil Spill (Tier 1) Contingency Plan, as required under Marine Protection Rule Part 130B.
