

Application & Nomination Form

I have the pleasure of entering (person's name/
project title) in the 2011 Environment Action Awards.

I have

- completed the summary outline of the project (overleaf)
- emailed photos to eaawards@hbrc.govt.nz to illustrate this entry (at least 2 MB for display and correctly labelled)

This is an entry in the following category (*tick one*)

- Outstanding Contribution to the Environment Award** for a high level of environmental or conservation leadership, at the level of a 'lifetime achievement award'.
- Local Environment Action Fund (LEAF) Project Excellence Award** for an individual or group who has applied for funding through the Local Environmental Action Fund and progressed or completed their small project and achieved their goal with excellence.
- Sus'd Programme Excellence Award** for a family, group or marae who have made significant progress in running a sustainable home/s and property including people in Hastings Sus'd programme.
- DOC Catherine Tiffen Volunteer Award** for individuals and groups who have demonstrated a significant contribution to conservation and the environment through their voluntary efforts. Open to all volunteers not just DOC volunteers.
- DOC Natural History, Heritage Conservation Award** for individuals and groups who have demonstrated a significant commitment in encouraging the protection and cultivation of the natural fauna, flora and/or historic values within Hawke's Bay.
- Community Environment Award** for a high level of development of environmental projects in urban and rural areas, covering a broad range of work to enhance wetlands, bush regeneration, water quality etc.
