Land Use and Freshwater Management

Change 5: Hawke's Bay Regional Resource Management Plan

Notice of operative date

Hawke's Bay Regional Council has approved Change 5 (Land Use and Freshwater Management) to the Regional Resource Management Plan and now gives public notice that Change 5 will become operative on 24 August 2019.

In broad terms, Change 5 introduces new provisions into various parts of the Regional Resource Management Plan to improve policies guiding decision-making on the use and protection of land and freshwater resources in Hawke's Bay. Change 5 was released as a proposal in 2012 and public submissions were received, council hearings held and Environment Court proceedings have now been completed.

Change 5 is available on the Regional Council's website www.hbrc.govt.nz (keyword #landuseandfreshwater), and can be viewed at Council offices at 159 Dalton Street, Napier. A printed version of Change 5 can be requested by telephoning 06 835 9200 or email info@hbrc.govt.nz.

This notice is given under clause 20, Schedule 1 of the Resource Management Act 1991.
