

Weed Control

Hawke's Bay Regional Council advises that agrichemical spraying for weed control will take place in the following rivers, streams and pathways during the period 1 September 2019 - 30 June 2020. HBRC's approved operators will be carrying out the annual spray maintenance programme for flood protection purposes, subject to weather conditions. All chemicals used are approved by the Environmental Protection Agency (EPA) for use around waterways.

River & Streams

| | |
|--------------------|--------------------|
| Makara Stream | Papanui Stream |
| Makaretu Stream | Porangahau River |
| Mangamahaki Stream | Taurekaitai Stream |
| Mangamaire Stream | Tukipo River |
| Mangaonuku River | Tukituki River |
