## GENERAL INFORMATION

- 13 It is agreed by both consent holders that it is a term of holding this resource consent that all costs incurred by the Council for, and incidental to, the collection of any debt relating to this resource consent, whether as an individual or as a member of a group, and charged under s36 of the Resource Management Act, shall be borne by the consent holder as a debt due to the Council, and for that purpose the Council reserves the right to produce this document in support of any claim for recovery.
- 14 Please note that all information collected and held by the Hawke's Bay Regional Council is public information under section 2 of the Local Government Official Information and Meetings Act 1987 (LGOIMA), as such any and all information may be requested by a third party. Access to information held by Council is administered in accordance with LOGIMA and the Privacy Act 1993. If you have any concerns over the disclosure of any aspect of your consent or personal/property details, either in person or electronically, you must raise your concern in writing to The Council and detail what "good reason" you believe there is for withholding information pursuant to section 7 of LGOIMA. Council will assess your request and advise you of any decision made. Please note that no person has the right of veto over any information held by Council. Council intends for all information it holds, submitted without a request for non disclosure (as above), to be public, and accessible to any persons who requests it pursuant to LGOIMA. If you require more information on the situations that information may be provided please contact the Councils Consents Advisor
- 15 By signing this document It is agreed by both parties that the transfer of this consent, either in part or full, shall automatically represent the previous consents cancellation under s136 (5) of the RMA. Giving the new consent(s) current status and voiding the previous consent(s).
- 16 **Who will pay the application costs?** Transferor (Q2)  or Receiver (Q6)
