

Resource Consents

Hawke's Bay Regional Council has received the following application for resource consents (discharge permits, land use consents, water takes, and activities within the Coastal Marine Area) under the Resource Management Act 1991.

The applications relate to the dredging of the bed of the lower Clive River (including part of the river defined as Coastal Marine Area). The proposed dredging area is from approximately 200m upstream of the Clive SH2 Bridge and extending to approximately 1,200m downstream of the bridge. The dredging material will be pumped via a floating pipeline to a discharge point on the beach on the southern side of the river mouth.

Applicant: Hawke's Bay Regional Council **Application No:** APP-126155
