All

*** 2. My submission is: (include whether you support, oppose or are neutral to specific parts of the notice of requirement or wish to have them amended; and the reasons for your views.**

I oppose area B to be developed. due to:

6.6.6 The discharge of storm water, and leachate into the Upokohino stream which crosses the property we live on at 339 Omarunui Road. Our property relies on water supplied by a bore, we are concerned about possible contamination - due to the issues that the Breakinridge subdivision has had with their bore.

5.2.1.3 & 5.2.2.6 Smell - Area B is much closer to where we reside. We currently have days we can't open windows or be outside as the smell is putrid.

6.8.6 Rubbish - we continuously have rubbish blowing all over the property we reside on. majority of the rubbish on the road is picked up (although lots is left for days at a time before anything is done about it) if area B is used I'm sure we will have more of an issue.

*** 3. I / We seek the following recommendation or decision from the Hastings District Council:**

Withdraw the requirement

(Please give precise details including the general nature of any conditions sought)

Area B is not suitable for waste disposal. it is too close to the stream, water bores & dwellings
