*** Person(s) making the submission**

Simon Nash

*** I am a trade competitor for the purposes of section 308B of the Resource Management Act 1991**

No

*** I am directly affected by an effect of the subject matter of the submission that: (a) adversely affects the environment; and (b) does not relate to trade competition or the effects of trade competition.**

Yes

*** 1. The specific parts of the application that my submission relates to are:**

Site B - the extension of the land fill.

1. I have been told the proposed site (area B) may produce some leeching going into the water canal that runs along Breckenridge road! I think with the water issues we have had previously along Breckenridge Road, this presents a very challenging problem. Recall the prior bore failed Council water safety requirements and a new bore system was installed in 2018 by the Residents, via the Breckenridge Water Company..

2. I have been told the proposed site (area B) will be visible from most of the properties along Breckenridge & Strome roads

*** 2. My submission is: (include whether you support, oppose or are neutral to specific parts of the notice of requirement or wish to have them amended; and the reasons for your views.**

Oppose the extension of the land fill to site B.

1. I have been told the proposed site (area B) may produce some leeching going into the water canal that runs along Breckenridge road! I think with the water issues we have had previously along Breckenridge Road, this presents a very challenging problem.
