**PORANGAHAU & TE PAERAHI COMMUNITY
WASTEWATER DISCHARGE – AFFECTED PARTY
APPROVAL**

As part of the consent application process, I am aware there needs to be signed approval by myself **GORDON STODDART** as landowner of the proposed wastewater discharge site.

I have been made aware that the initial approval form signed by myself dated 23rd June 2021 has come before the lodgement date to Regional Council of 28th August 2021.

This letter is to formalise my agreement and understanding of the current resource consent process for discharge of Porangahau and Te Paerahi's wastewater onto my land.

Yours sincerely,

Gordon Stoddart
