

Applications for Resource Consents

Hawke's Bay Regional Council has received the following applications for resource consents under the Resource Management Act 1991. The applications are publicly notified in accordance with section 95A of the Resource Management Act 1991

Applicant: Wairoa District Council

Details of the Proposed Activities:

- To discharge treated wastewater from the Wairoa Wastewater Treatment Plant to the Wairoa River within the coastal marine area via an outfall structure (pipeline) (Rule 160 – Regional Coastal Environmental Plan (RCEP));
- To discharge aerosols and odour to air associated with the receipt, treatment and storage of wastewater from the Wairoa Wastewater Treatment Plant (Rule 28 – Regional Resource Management Plan (RRMP));
- To replace the main outfall structure (pipeline) and any associated earthworks (Rule 97 – RCEP);
- The maintenance and potential re-establishment of the main outfall structure within the coastal marine area (relocation of main outfall structure) (Rule 117 – RCEP);
- To allow for the relocation, the maintenance and operation of the overflow outlets from the North Clyde, Alexandra Park, Kopu Road and Fitzroy Street pump stations (Rule 69 – RRMP);
- To carry out earthworks, construction and rehabilitation activities related to the relocation and

maintenance of the Wairoa Wastewater Treatment Plant main outfall structure (Rule 130 – RCEP);

- To allow vegetation clearance and soil disturbance within the coastal marine area associated with the replacement (and future modification/relocation) of the main outfall structure (Rule 8 – RCEP);
- The occupation of riverbed for the main outfall structure within the Coastal Marine Area (Rule 178 – RCEP);
- To discharge untreated wastewater from the Alexandra Park and North Clyde pump stations via overflow outlet pipes into the Wairoa River (Rule 52 – RRMP);
- To discharge untreated wastewater from the Kopu Road pump station via overflow outlet pipe into the Wairoa River (Rule 9 – RCEP);
- To discharge treated wastewater from the Wairoa WWTP via overflow outlet pipe into the Wairoa River (Rule 160 – RCEP).

Location: Whakamahi Road, Kopu Road, 19 Marine Parade, corner of Freyberg Street and River Parade and various locations within the Coastal Marine Area (CMA). The location is fully described by the application for resource consent.

Application Number: APP-123774

Full Details of the Application (which includes an assessment of environmental effects) may be viewed at:

- Hawke's Bay Regional Council's website <http://www.hbrc.govt.nz> (search #notified)
- HBRC Offices, 159 Dalton Street, Napier and Wairoa Office/Depot, 46 Freyberg Street, Wairoa

If you have any queries about the application or how to lodge a submission, contact Tania Diack, Senior Consents Planner at HBRC on (06) 833 8091 or email tania.diack@hbrc.govt.nz

Making a Submission:

Any person may make a submission on the application by going online to <http://hbrc.govt.nz>, search #notified and completing the online submission form (Form 13). Hard copy submission forms can also be obtained from HBRC reception or upon request.

Hawke's Bay Regional Council must receive your submission no later than **5.00 pm on Tuesday 10 September 2019**.

This notice is given in accordance with Section 95A of the Resource Management Act 1991.
