

# ESTABLISHING A NEW COUNCIL CONTROLLED ORGANISATION?

The Regional Council ran a public process last year to hear your views on how to invest in our Port to support a growing Hawke's Bay.

In December, the Regional Council agreed to do more work on the option to offer shares in Napier Port – an Initial Public Offering or IPO – on the New Zealand share market.

If the Regional Council decides to offer shares in Napier Port, independent advice recommends setting up a new structure to ensure a simple process for potential investors.

- We seek your feedback on establishing an additional Council Controlled Organisation.
