9/08/2016	OIR-16-094	Completed	Wairoa Star Consents Query	<p>1. re breaches from Affco, WDC &amp; Silver Fern Farms. Evidence to show these effects are minor when Affco have yet to submit independent environmental impact reports?</p> <p>2. When conditions put in place in 2012 did RC expect to still be waiting to see results &amp; reports in August 2016?</p> <p>3. What are main causes for lack of progress and would it be tolerated by others given resource consent conditions at the time?</p> <p>4. Re WDC what level of improvement are you looking for before their consent is renewed in 2019?</p> <p>5. What will need to change before NPSFM is gazetted next April in terms of these three organisations, for other farming operations situated by a waterway - and over what timeframe?</p> <p>6. If a council is addressing its infiltration problems what time frame would they have to reduce the levels of COD and suspended solids discharge exceedances?</p>	Ane Revington, Wairoa Star Reporter	6/09/2016
8/08/2016	OIR-16-093	Completed	Complaints Request for Te Mata Mushrooms	Some sort of indication of the location of complaints in 2015/2016? e.g. in the attached snapshot report by Jacobs on reverse sensitivity prepared for Hastings District Council in 2015. I don't need actual addresses but I would be really interested to see where the spread of complaints has come from over 2015 and 2016 to date.	Tracy Freeman Air Quality Professionals Pty Ltd	5/09/2016
