

HB YOUTH ENVIRONMENT COUNCIL

APPLICATION FORM

Have you got lots of ideas and are ready to work in a team to make these ideas a reality? Well, the Hawke's Bay Youth Environment Council (YEC) might just be for you! It is an advocate for young people aged between 14 and 19, helping young people's voices to get heard within their school, family and community.

THE YOUTH ENVIRONMENT COUNCIL WILL:

- Support you to take action on improving sustainability at your school.
- Encourage young people to have a voice on relevant environmental issues.
- Facilitate events and projects to involve young people and make our region a better place to live.
- Engage the community of Hawke's Bay to promote environmental messages and changes in behaviour.
