

**APPENDIX 4:
Terminology Table**

Submission points 132.30, 180.1, 180.11 and 210.6 are seeking that the terminology in PPC9 is consistent throughout PPC9. This is discussed in section 12.3 of this report and the Reporting Team is recommending to accept these submission points.

The table below shows the terms that were used in PPC9 and the terms that the Reporting Team is recommending to change in the recommended changes version to PPC9.

Terminology from PPC9	Terminology in recommended changes to PPC9
Freshwater Quality Management Area (quality)	Water Quality Area
Freshwater management unit (quantity)	Water Quantity Area
