

Kahahakuri, Mangaonuku and Papanui sub catchment meetings

Hawke's Bay Regional Council is holding community sub catchment meetings about DIN - (Dissolved Inorganic Nitrogen) exceedance.

If you are farming in a DIN exceeding sub-catchment, and your property is more than 4 ha, it is likely that you will require a resource consent by 31 May 2020.

Come along to one of our sub-catchment meetings to learn more:
