POSITION SUMMARY

The role holder will develop, maintain and report on project schedules, primarily for all projects within the \$240m HBRC Land Categorisation programme, and other Regional projects. This will require the Scheduler to work closely with Senior Project Managers and Project Managers to ensure that the schedule reflects their planning as well as remaining consistent with HBRC's Project Management Framework.

GROUP AND TEAM GOALS:

The Regional Projects team provides the following role and functions as part of the Asset Management Group:

- Provide a centre of expertise in capital project delivery
- Maintain and improve the project management framework
- Maintain and improve the project management information system linking with the corporate Programme

Management Office

- Deliver portfolio of capital infrastructure projects within agreed timeframes and budget

JOB SPECIFIC ACCOUNTABILITIES

- Provide schedule related project and programme management expertise and advice to programme and project teams.
- Review and maintain schedules and progress data that have been provided primarily by project managers, but also potentially suppliers and contractors.
- Identify and report on potential schedule interdependency problems and recommend alternatives.
- Identify and report on schedule risks and recommend appropriate mitigation strategies.
- Prepare updated monthly schedule reports for the PM's and programme leadership team.
- Proactively lead and manage a frequent (monthly) review and updating of the programme (and project) schedule, using appropriate lookahead functions. This will include identifying critical activities and issues arising and making recommendations to overcome or mitigate schedule losses.
- Engage, guide and inform Project Managers, Senior Project Managers, and Programme Finance and Control Manager on individual and combined project schedules, including critical path elements.
- Ensure schedule details are fully updated monthly and being effectively utilised to inform the work being undertaken by the delivery team and to help meet project timeframes.

FUNCTIONAL RELATIONSHIPS

Internal

- Team members
- Programme Senior Project Managers and Project Managers
- Other Programme Office personnel

External

- Consultants and Contracts
- Technical and legal professional

COMMUNITY RELATIONSHIPS

Fostering good working relationships is fundamental to the successful achievement of strategic goals for HBRC. We know we can't achieve change without the people (our community) outside our business. As expressed under our purpose statement, "working with our community" is at the heart of everything we do. This is particularly relevant to our relations with Tāngata Whenua in terms of co-governance and co-management. Successful relationships involve building trust. Which in turn enables us to support each other to respond to new challenges as they arise.

This means:

- Professional attitude is projected at all times in dealing with external contacts.
- Information is accurate and is provided in a timely manner.
- Outcomes that are fair and clearly understood by both parties are achieved.
- Customers are satisfied with responses to written or verbal requests for information.

CONTINUOUS IMPROVEMENT

All Hawke's Bay Regional Council (HBRC) staff are expected to actively and enthusiastically promote the concept of continuous improvement in their work for HBRC. This means:

- Maintaining a positive overall attitude in the workplace, including promoting HBRC in a positive manner, as assessed by your peers and Manager.
- Taking part in training opportunities provided by HBRC with an open mind, as assessed by pre and post training meetings with your manager.
- Practicing the skills provided in training offered by HBRC, as assessed by regular feedback meetings with your manager.
- Showing a strong team commitment, as indicated by peer feedback and your manager's assessment.

- Practicing the concept of continuous improvement by showing initiative with new ideas and positively acknowledging other ideas.
- Giving honest and open feedback as and when required, aiming to constructively deal with all issues, as assessed by regular feedback meetings with your manager.
- Deliver on project outcomes: on time and on budget.
- Displaying sound judgment and making responsible decisions.
- Working to high quality standards and where applicable contributes to maintenance of ISO 9001:2015 accreditation of the Quality Management System.

HEALTH AND SAFETY

All staff are expected to follow established health and safety procedures while working for HBRC, and in accordance with policies developed by HBRC. This means:

- Complying with and adhering to HBRC's accepted standards and procedures.
- Where appropriate, taking responsibility for workplace hazards/risks you identify and communicated to management.
- Undertaking regular reviews of workplace risks/hazards that are present in your work.
- When, and if, necessary, participate in the investigation of accidents/incidents according to HBRC procedures.
- Undertaking appropriate and effective staff training when required or necessary.
- Promoting a healthy and safe workplace.
- Actively supporting health and safety initiatives.
- Comply with any rehabilitation plan designed with you for a return to work after an accident.

EMERGENCY MANAGEMENT

When a Civil Defence event happens, you may be required to assist with carrying out the Council's Civil Defence responsibilities after providing required support for your family and dependants. All HBRC staff are expected to undertake such Emergency Management functions as are determined appropriate to meet HBRC's role and function in this area. This means:

- Undertaking such a role as is allocated for emergency management requirements.
- Participating in such exercises as are required to maintain a state of preparedness in HBRC.
- Responding to such requests to assume an emergency management role as are required by events.
- Understanding the contents of the relevant section of the Business Continuity Plan (BCP) and its implications for your role.
- Where the requirements of the role require it, review the relevance of the BCP for your team, section or Group on a regular basis.
