HBRC STRATEGY

Our Vision:

We want a healthy environment and a resilient and prosperous community.

Our Purpose:

We work with our community to protect and manage the region's precious taonga of rivers, lakes, soils, air, coast and biodiversity for health, wellbeing and connectivity.

Our Values:

- **Partnership and Collaboration:** We work with our community in everything we do
- **Accountability:** We hold ourselves to account to deliver results, be responsive to community expectations, and the best use of ratepayers' funds and assets
- **Transparency:** We report on what we do and the value this delivers for our community
- **Excellence:** We set our sights and expectations high, and never stop striving to do better

Our Focus:

- **Water quality, safety and climate-resilient security** ~ *Te kounga o te wai, te haumarutanga me te mārohirohi ā-āhuarangi o te whakamarutanga.*
- **Climate-smart and sustainable land use** ~ *Kia koi, kia toitū hoki te whakamahinga o te whenua.*
- **Healthy, functioning and climate-smart biodiversity** ~ *kio ora, kia āhe, kia mārohirohi ā-āhuarangi hoki te rerenga rauropi.*
- **Sustainable and climate-resilient services and infrastructure** ~ *kia toitū, kia mārohirohi ā-āhuarangi hoki ngā ratonga me ngā hanganga ā-whare.*

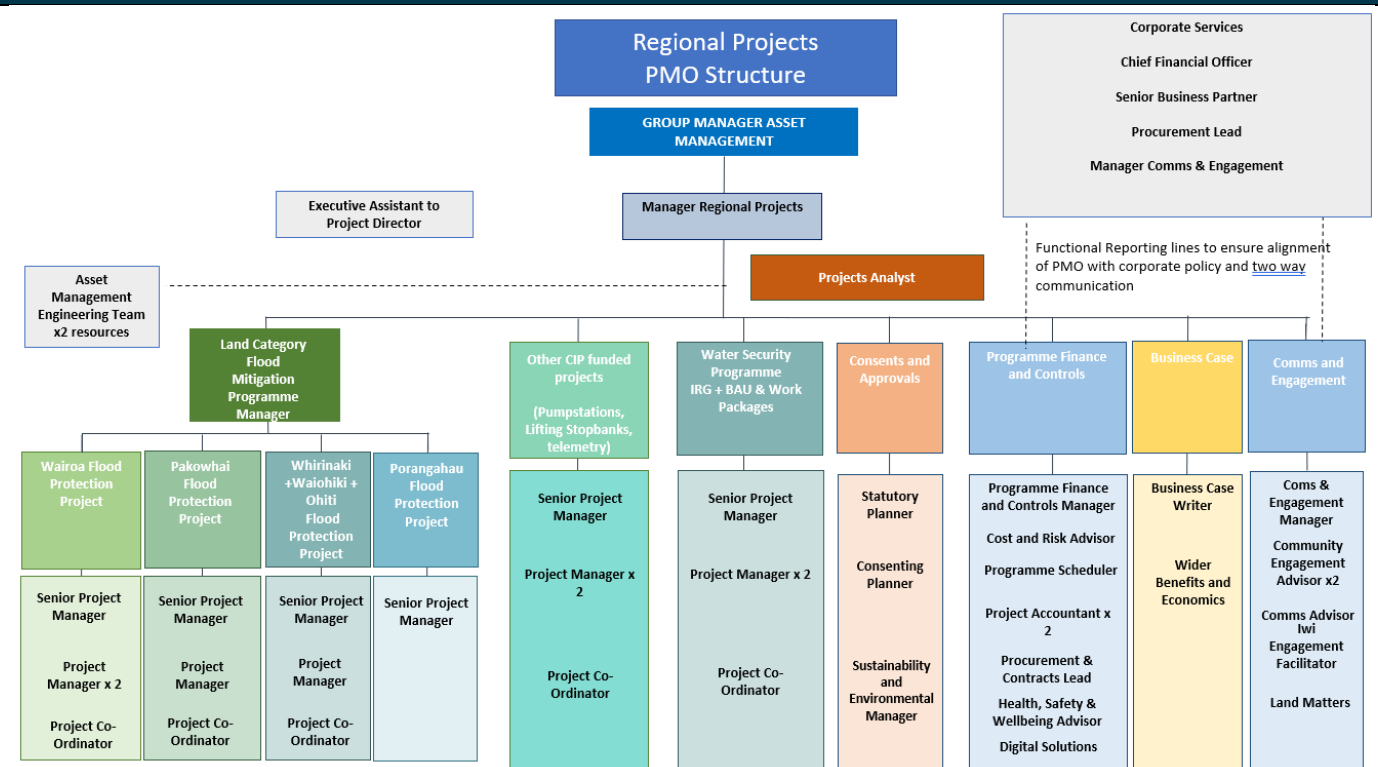

POSITION SUMMARY

The role of Senior Project Manager will provide day to day management of infrastructure projects within the Hawke's Bay region and lead/mentor more junior members of the team. In addition, the role will contribute to the strategic direction on how the Asset Management Group delivers its capital programme.

GROUP AND TEAM GOALS:

- The Regional Projects team provides the following role and functions as part of the Asset Management Group:
- Provide a centre of expertise in capital project delivery
 - Maintain and improve the project management framework
 - Maintain and improve the project management information system linking with the corporate PMO
 - Deliver portfolio of capital infrastructure projects with agreed timeframes and budget

ORGANISATIONAL CONTEXT

JOB SPECIFIC ACCOUNTABILITIES

- Responsible for the successful delivery of large and complex projects, drawing on significant experience in delivery of similar projects.
- Take projects through the project lifecycle – from concept through to final implementation. Responsible for the management of all aspects of the project including design, cost estimates, procurement and technical documentation, project controls and construction phase activities.
- Lead and manage multidisciplinary project teams through proper briefing and assignment of work.
- Work with the wider team and suppliers to encourage innovative thinking and develop new ideas and approaches.
- Role model the organisation's objectives, values and behaviours.
- Apply a deep understanding of project management principles to devise and deliver practical solutions to problems.
- Communicate positively and effectively ensuring that team members, managers and stakeholders are appropriately informed about progress and timelines. Operates in way that ensures no surprises.
- Demonstrates effective communication, presentation, networking and relationship management skills.
- Mentor and coach staff within the PMO.
- Is able to delegate work effectively and appropriately.
- Encourages team performance through provision of specific and constructive feedback.
- Develop and manage construction contracts (NZS3910) with both in – house construction resources and the external contracting industry
- Undertake tender document preparation and assessments.
- Ensure management, surveillance and quality assurance of construction projects
- Ensure delivery of the capital portfolio is delivered to scope, cost and time metrics
- Provide a centre of expertise to Asset Management Group in project estimating
- Ensure the establishment and maintenance of strong and meaningful relationships with both internal and external stakeholders. Report on achievement of these relationship expectations.
- Provide robust project management advice to stakeholders, both internal and external, in regard to

regional projects.

- Work collaboratively with the Asset management Group as a whole. Be an active and contributing team player to ensure successful delivery of team outputs.
- Provide timely and professional advice to other parts of the organisation, as appropriate.
- Attend and present at public/community and Council meetings as required in support of projects.
- Demonstrate an understanding and ability to apply Quality Management practices.
- Contribute to the Quality Management System as part of everyday business practice, including developing, reviewing and improving business processes, maintaining a strong customer focus and a commitment to the continuous improvement program.
- Engage external experts if required and ensure that contracts for external experts are managed in accordance with HBRC processes.
- Manage, lead, and guide the team, ensuring team objectives are met, clear direction is given, and adequate resourcing is provided.
- Actively engage with and lead Council's performance management system for the team ensuring key check-ins are met, learning and development needs are discussed, and appropriate development planning is undertaken.
- Maintain staffing resource to ensure that the team is adequately resourced. Undertake recruitment, selection, onboarding, and training of new employees as and when required.

FUNCTIONAL RELATIONSHIPS

Internal

- Group Managers
- Executive Team
- Team members

External

- Consultants and contractors
- Government agencies and departments
- Local authorities
- Technical and legal professionals
- Iwi and other community groups
- Members of our community

COMMUNITY RELATIONSHIPS

Fostering good working relationships is fundamental to the successful achievement of strategic goals for HBRC. We know we can't achieve change without the people (our community) outside our business. As expressed under our purpose statement, "working with our community" is at the heart of everything we do. This is particularly relevant to our relations with Tāngata Whenua in terms of co-governance and co-management. Successful relationships involve building trust. Which in turn enables us to support each other to respond to new challenges as they arise.

This means:

- Professional attitude is projected at all times in dealing with external contacts.
- Information is accurate and is provided in a timely manner.
- Outcomes that are fair and clearly understood by both parties are achieved
- Customers are satisfied with responses to written or verbal requests for information.

CONTINUOUS IMPROVEMENT

All Hawke's Bay Regional Council (HBRC) staff are expected to actively and enthusiastically promote the concept of continuous improvement in their work for HBRC. This means:

- Maintaining a positive overall attitude in the workplace, including promoting HBRC in a positive manner, as assessed by your peers and Manager
- Taking part in training opportunities provided by HBRC with an open mind, as assessed by pre and post training meetings with your Manager.
- Practicing the skills provided in training offered by HBRC, as assessed by regular feedback meetings with your Manager.

- Showing a strong team commitment, as indicated by peer feedback and your Manager's assessment.
- Practicing the concept of continuous improvement by showing initiative with new ideas and positively acknowledging other ideas.
- Giving honest and open feedback as and when required, aiming to constructively deal with all issues, as assessed by regular feedback meetings with your Manager.
- Deliver on project outcomes: on time and on budget.
- Displaying sound judgment and making responsible decisions.
- Working to high quality standards and where applicable contributes to maintenance of ISO 9001:2015 accreditation of the Quality Management System.

HEALTH AND SAFETY

All staff are expected to follow established health and safety procedures while working for HBRC, and in accordance with policies developed by HBRC. This means:

- Complying with and adhering to HBRC's accepted standards and procedures.
- Where appropriate, taking responsibility for workplace hazards/risks you identify and communicated to management.
- Undertaking regular reviews of workplace risks/hazards that are present in your work.
- When, and if, necessary, participate in the investigation of accidents/incidents according to HBRC procedures.
- Undertaking appropriate and effective staff training when required or necessary.
- Promoting a healthy and safe workplace.
- Actively supporting health and safety initiatives.
- Comply with any rehabilitation plan designed with you for a return to work after an accident.

EMERGENCY MANAGEMENT

When a Civil Defence event happens, you may be required to assist with carrying out the Council's Civil Defence responsibilities after providing required support for your family and dependants. All HBRC staff are expected to undertake such Emergency Management functions as are determined appropriate to meet HBRC's role and function in this area. This means:

- Undertaking such a role as is allocated for emergency management requirements.
- Participating in such exercises as are required to maintain a state of preparedness in HBRC.
- Responding to such requests to assume an emergency management role as are required by events.
- Understanding the contents of the relevant section of the Business Continuity Plan (BCP) and its implications for your role.
- Where the requirements of the role require it, review the relevance of the BCP for your team, section or Group on a regular basis.

Awareness

- Demonstrated awareness of Te Tiriti o Waitangi and including Te Reo Māori in relevant and practical ways in interaction and engagement to demonstrate respect and value of Tikanga Māori in appropriate settings.

CHANGES TO JOB DESCRIPTION

From time to time it may be necessary to consider changes in the job description in response to the changing nature of our work environment. Such changes, including technological requirements or statutory changes, may be initiated by the manager of this job with due consultation with the position holder. This job description should be reviewed as part of the preparation for performance planning for the annual performance cycle.

ACKNOWLEDGEMENT

I have read this job description and fully understand the requirements set forth therein. I understand that this is to be used as a guide and that I will be responsible for performing other duties as assigned. I further understand that this job description does not constitute an employment contract with Hawke's Bay Regional Council.
