1. Z Energy Limited, BP Oil New Zealand Limited, and Mobil Oil New Zealand Limited (**the Oil Companies**) wish to be a party to the following proceedings:

1.1 ENV-2022-AKL-000193 between Te Taiwhenua o Heretaunga (**Appellant**) and the Hawke's Bay Regional Council (**Respondent**) in relation to the respondent's decisions on submissions to Plan Change 9 to the Hawke's Bay Regional Resource Management Plan (**PC9**).

2. The Oil Companies lodged submissions on PC9 on the subject matter of the proceedings.

3. The Oil Companies receive, store and distribute refined petroleum products within the geographic extent of the Tūtaekurī, Ahuriri, Ngaruroro and Karamū catchments. These facilities provide an essential service to the community.

4. The Oil Companies are not trade competitors for the purposes of section 308C or 308CA of the Resource Management Act 1991.

5. The appellant's appeal and relief sought is broad and the Oil Companies are interested in all aspects of it within the scope provided for by the Oil Companies' submissions. The Oil Companies anticipate being able to refine interests as further detail of the appellant's relief sought is provided.

6. The reason for the Oil Companies interests are as follows:

6.1 The Oil Companies have particular interest in relation to provision of temporary dewatering activities associated with construction works (particularly for the installation of underground tanks in pits at refuelling facilities across the region) and the management of discharges associated with petroleum industry sites. The Oil Companies seek to ensure that any amendments do not unreasonably and/or unnecessarily restrict the Oil Companies' activities.

7. The Oil Companies agree to participate in mediation or other alternative dispute resolution of the proceedings.
