December cut scheduled no later than the 15th of December, to give weed time to flush out to sea before the rowing regatta on the 4th & 5th of Jan 2026 (ring Gavin Falcon 0272645462 HB rowing club)

If task can not be completed due to Low water - write in comments on WO

To prevent Senegal tea weed from spreading boats leaving the Karamu stream & Clive River must have the weed hand removed then washed down with hot soapy water at Guppy rd depo
